## CSSA At Home Bottle Drive

Dear CSSA Members,

To raise funds for our association, CSSA is holding an At Home Bottle Drive. There is no need to haul your bottles to the depot - CSSA has an account with a Calgary based virtual bottle depot called SkipTheDepot. This service will come directly to your home or location of your choice to pick up bottles at a time that is convenient for you and CSSA will be credited with 100% of the proceeds! There are no pick-up fees and this service is available year-round.

### **To Participate:**

It is super easy to set up by going to the following link where you set up your profile and pick up time:

<https://app.skipthedepot.com/cssa>

**\*\*\*Please use our special promo code **RECYCLEASY** when you set up your profile as this ensures 100% of the proceeds go to CSSA**

You can share this link and promo code with friends and family in Calgary.
